

TAMAR BROOM DANCE

To the tune of the same name (composed by Rosie Fierek)

Dance sequence: ABC, ABC, ABC, A (fits with music sequence AAB, AAB, AAB, A)

Start by holding broom upright with right hand at top, broom head on the floor.

Intro Bounce broom x 4

A 8 steps round the broom to the right
8 steps round to the left

B Hand over hand – grasp broom RH, LH, RH, LH going down, then the same going back up. Sweeping action with brush, 4 strokes.

C Ponder x 2 (look thoughtful with index finger on chin, then side of forehead).

Bright spark idea – look gleeful and point upwards as though just had a good idea.

Take broom around body quickly and lay it on the floor (ready for the last bit of B, different each time).

You can make up the last bit of each B section yourself, or pick from the box below (all to the count of: 1 +2 +3 +4, +1 +2 +3 +4)
