

Newquay St Piran's Festival 2026

Newquay Museum Group Presents

Newquay People by Bernard White

The **Bernard White Collection** was kindly donated to Newquay Museum by the family of Bernard White who many people will remember as a newspaper photographer in Mid-Cornwall for many years. Over time Newquay Museum aims to share these images through exhibitions, other events and online. Many of these have been scanned from original negatives and we thank Josh at **Proper Photography Kernow, Newquay's Photo Lab** for carrying this out for this digital exhibition.

*Approximately 100
images in this collection
exhibition. Will one of
them show YOU ?*
